

# DWARVEN FORGE STARFORGED

## PAINTING GUIDE

### ACCESSORIES

#### TAN ACCESSORIES

#### POKORNY PAINT PALETTE

BASE WOOD (GT002-BW)	OLIVE DRY BRUSH (GT002-O)	CAVERN STONE DRY BRUSH (GT002-CD)
CARDBOARD (GT002-CB)	LAVA YELLOW (GT002-LY)	BLACK (GT002-B)
BASE GREY (GT002-BG)		

1. Paint basecoat with **Base Wood**.

2. Drybrush with a mix of 1:3:1 **Base Wood**, **Olive Dry Brush**, and **Cavern Stone Dry Brush**. Optional: If you'd prefer not to mix, then using **Olive Dry Brush** or **Cardboard** will be close.

3a. Yellow Accents: Paint the bits with **Lava Yellow**.

3b. White Accents: Paint with **Cavern Stone Dry Brush**.

3c. Black Accents: Basecoat **Black**, then lightly dry brush with **Base Gray**.

#### TURRETS

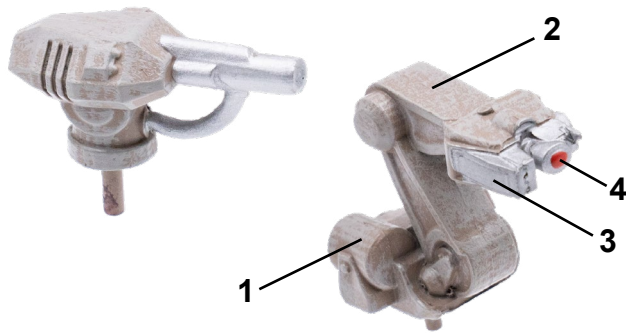

#### POKORNY PAINT PALETTE

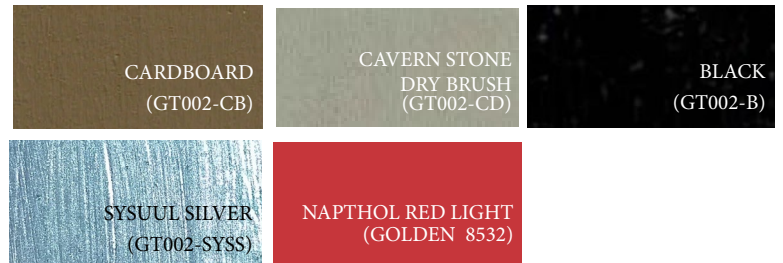

LAVA ORANGE (GT002-LO)	LAVA YELLOW (GT002-LY)	SYSUUL SILVER (GT002-SYSS)
BLACK (GT002-B)		

1. Follow the steps for tan accessories, then paint the orange core:
  2. Basecoat the area with **Lava Orange**.
  3. Dry brush with a 1:1 mix of **Lava Orange** and **Lava Yellow**.
  4. Apply a dry brush to smaller sections in **Lava Yellow**.
  5. Paint silver bits **Sysuul Silver** with a dab of **Black**.
- (Optional step: Basecoat the silver section in **Black** before applying **Sysuul Silver**.)
- 

## WHITE ACCESSORIES

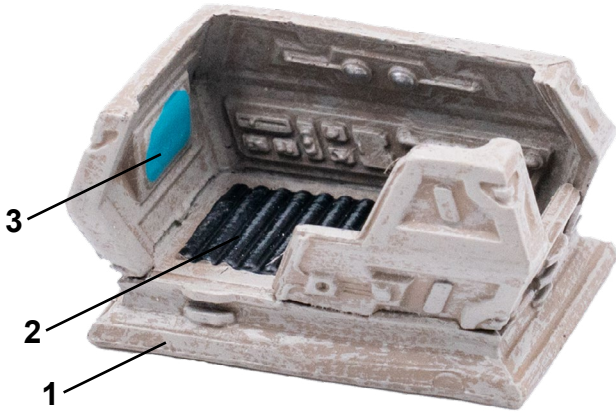

### POKORNY PAINT PALETTE

1. Basecoat in **Cardboard**.
2. Apply a dry brush in **Cavern Stone Dry Brush**.
3. For metal details, optionally base coat the area in **Black**, then apply **Sysuul Silver**.
4. For red details, apply Golden SoFlat Matte Acrylics **Napthol Red Light**.

## CAPSULE BED

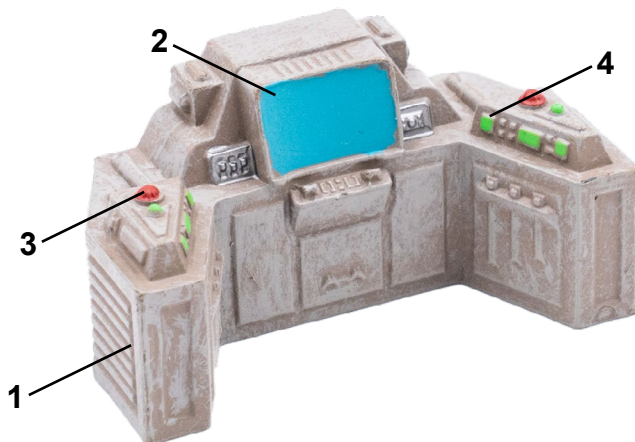

### POKORNY PAINT PALETTE

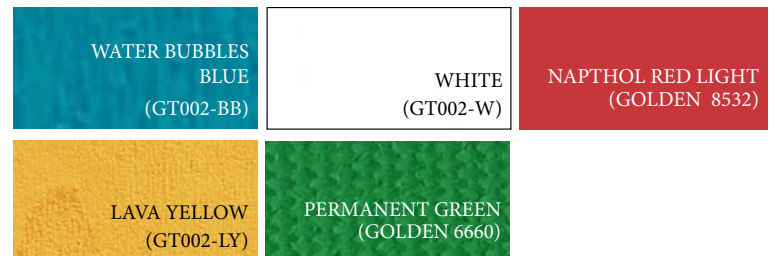

1. Apply the steps for white accessories, then paint the bedding and window details:
2. Base coat the bed in **Black**, then dry brush in **Base Gray**.
3. Mix **Water Bubbles Blue** with a dab of **White** for the window.

## COMMAND CONSOLE

### POKORNY PAINT PALETTE

1. Apply the steps for white accessories, then paint the screen and control details:
2. Mix **Water Bubbles Blue** with a dab of **White** for the screen.

For lights and controls use the following where applicable:

3. Red controls: Golden SoFlat Matte Acrylics **Naphthol Red Light**.
4. Green Controls: Golden SoFlat Matte Acrylics **Permanent Green** + a dab of **Lava Yellow**.
