

PAINTING GUIDE

MODULAR ROOFS

STEP 1

BASE WOOD
(GT002-BW)

Dry brush the wooden portion of the roofs with **Base Wood**.

This is also the first step of the Rustic Wood paint scheme.

STEP 2

BASE WOOD
(GT002-BW)

+

STUCCO
(GT002-ST)

Dry brush the wooden portion of the roofs with a mix of **Stucco** and **Base Wood** in a 50/50 mix.

This is also the second step of the Rustic Wood paint scheme.

STEP 3

BLACK
(GT002-B)

Add water to black paint to create a wash and apply the mixture to the recessed panels of wood.

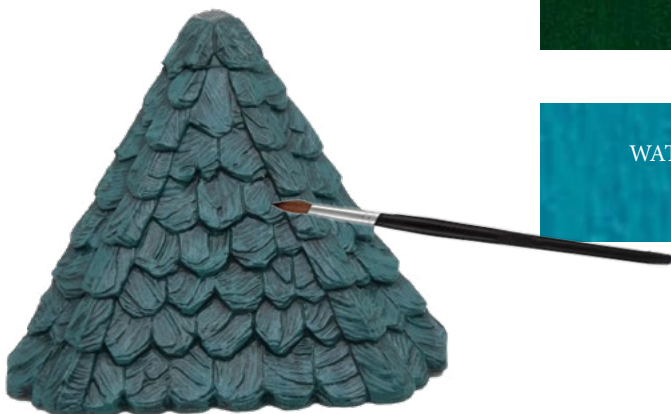

STEP 4

DEEP WATER
GREEN
(GT002-WG)

Green Roofs: Base coat on an opaque layer of paint on the roof shingles in **Deep Water Green**.

STEP 5

DEEP WATER
GREEN
(GT002-WG)

+

WATER BUBBLES
BLUE
(GT002-BB)

Green Roofs: Dry brush a saturated green mixture of **Deep Water Green** and **Water Bubbles Blue** in a 50/50 mix.

STEP 6

DEEP WATER
GREEN
(GT002-WG)

+

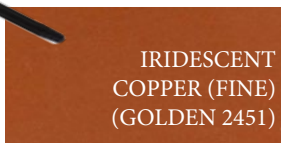

STONE EDGE
DRY BRUSH
(GT002-SE)

Green Roofs: Dry brush lighter green mixture of **Deep Water Green** and **Stone Edge Dry Brush** in a 50/50 mix with a lighter touch.

STEP 7

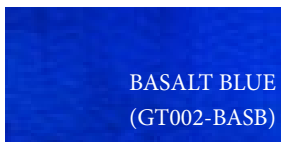

+

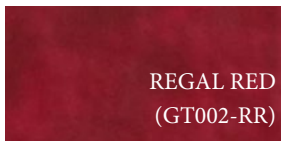

Green Roofs: Heavily apply a mix of any copper paint with **Gorgon Bronze** in a 50/50 ratio on the metal ridge on at the roofs top.

In studio, we used **Golden brand 2451 Iridescent Copper (Fine)** in this mixture.

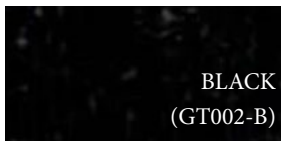

STEP 8

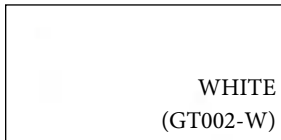

+

+

+

Dark Roofs: Apply an opaque layer to the shingles with a mix of 4 parts **Basalt Blue**, 2 parts **Regal Red**, 1 part **Black** and 2 parts **White**.

STEP 9

OLIVE DRY BRUSH
(GT002-O)

Dark Roofs: Dry Brush over the shingles in the color **Olive Dry Brush**.

STEP 10

BLACK
(GT002-B)

+

SYSUUL SILVER
(GT002-SYSS)

Dark Roofs: Heavily apply a mix of **Sysuul Silver** (or any silver paint) and **Black** in a 50/50 ratio on the metal ridge on at the roofs top.
